STARS Charter School
Title I Parent–Student–School Compact
2026–27 School Year

Dear Parents and Families,

STARS believes that student success is built through a strong partnership between the school, families, and students. This compact outlines how all parties will share responsibility for supporting student academic achievement and helping students meet high standards.

School Responsibilities

STARS Charter School will:

• Provide high-quality curriculum and instruction in a supportive and safe learning environment;

• Maintain high expectations for student learning and behavior;

• Communicate regularly with parents regarding student progress, academic expectations, and school events;

• Hold parent-teacher conferences and provide progress reports/report cards throughout the school year;

• Provide parents reasonable access to teachers, staff, and administration through conferences, email, phone calls, and scheduled meetings;

• Offer opportunities for parents to volunteer and participate in school activities when appropriate;

• Provide additional academic support and intervention opportunities for students when needed;

• Encourage positive relationships between school staff, students, and families.

Parent/Guardian Responsibilities

As parents/guardians, we will:

• Ensure our child attends school regularly and arrives prepared to learn;

• Support learning at home by monitoring homework, reading, and study habits;

• Communicate with teachers and school staff regarding questions or concerns;

• Stay informed by reviewing school communication, grades, and student progress;

• Attend parent-teacher conferences and school events when possible;

• Encourage positive behavior, responsibility, and respect for others;

• Support school policies and procedures that promote a safe and productive learning environment.

Student Responsibilities

As students, we will:

• Come to school ready to learn and do our best each day;

• Complete assignments and homework to the best of our ability;

• Follow school and bus expectations;

• Show respect toward classmates, teachers, staff, and school property;

• Communicate with parents and teachers when help is needed;

• Take responsibility for our actions and learning;

• Demonstrate STAR behavior by Staying safe, Taking responsibility, Always doing our best, Respecting everyone, and Striving for success.

Partnership Commitment

This compact reflects the shared commitment between STARS Charter School, families, and students to work together in order to promote academic growth, positive character, and student success.
